

WHO LOVES ADVENTURE?

Expeditions Unlimited - Baraboo, WI
August 14th - 17th **COST: \$150**

Are you outdoorsy? Expeditions Unlimited exists to impact the lives of youth and adults through the use of God's creation and outdoor adventure experiences; focusing on partnering with groups to point people towards Christ. This retreat is open to junior high and high school students. We will spend the weekend on a high ropes course, a day of canoeing down a river and have hours to explore a few different caves! The first night we will be sleeping in a cabin, and the 2 nights following we will be sleeping in tents (one night on a sandbar!). Meals are provided. A waiver form from Expeditions Unlimited will be sent out via email. Please contact Ashley at abowman@commfell.org if you do not receive it by the end of this week (Friday, July 31) **RSVP for this trip no later than August 7th with your waiver and payment.**
